## “View from the Bridge”

### “The Tourist Traps Are Empty, Vacancy Abounds”

Happy October, my phriends! Hard to believe, that another summer has come to a close. Fall is really my favorite time of year because like the song says, the tourists are gone (for the most part). Now for a lot of folks, that can present a bit of a problem, but for members of PHCoT, we are just beginning what I call our Busy Season. Even as I

type this we are preparing for the 1<sup>st</sup> Annual Bonnie Harrell Memorial Benefit for Ovarian Cancer Research. More on that in next month's column. Also on the horizon this month are the Susan G Komen Race for the Cure and the Walk to End Alzheimer's. I hope you were able to attend at least one of these events and support your fellow club members in their efforts to make a difference in Our community. Looking ahead, please remember our on-going food drive as we approach the Thanksgiving holiday season, a time of year that is particularly tough for the FoodBank. Also, we will once again be participating in the Marine Corp Toys For Tots campaign so keep that in mind as well!

I know that many of you are heading down to Key West for Meeting of the Minds, so it seems like a great time to remind everyone that as usual, we will have our monthly meeting on the SECOND Tuesday in November. I am looking forward to Key West this year maybe a little more than usual. After missing a year, it seems like forever since I have been to the Rock. It also seems like a long time since I have seen some old friends from around the country, which is really a highlight for me, as I am sure it is for many of you. At any rate, make sure you come to see me on Saturday at the Casa Marina, on the beach, running the Dunking Booth. (Slots still open for barkers and “dunkees”!)

Well, I am once again late with this column so I am going to wrap it up and get it to Virginia and head out to Big Woody's for the fundraiser. Until next month...

*I come down to talk to me,  
When the Coast is Clear.*

## **Walk to End Alzheimer's (previously the Memory Walk)**

Sunday, October 16th at Neptune Park at the oceanfront!

Alzheimer's disease is the largest underfunded public health threat facing our nation today and it's growing at an epidemic rate. Today, more than half of all Americans know someone with Alzheimer's. Soon, no one will be left untouched.

Please walk with us! Go to [alz.org/walk](http://alz.org/walk) to register. Our team is part of the Parrot Heads in Paradise group, and the team name is Parrot Head Club of Tidewater. It's a great time, and a beautiful walk down the boardwalk....

For more information, contact Kathy Jamerson at [jamerson57@yahoo.com](mailto:jamerson57@yahoo.com).
