Hey there PHCOT Phlockers!

Well, we are entering the summer months and our activities have slowed down as PHolks take to the beach and other vacation and summer activities. It is great to have a steady group of members coming out to our monthly club meetings. Thanks to everyone that support our collections for the SPCA and Food Pantry each month, our charity partners greatly appreciate your generosity.

Early in May, we sadly said "Sail On" on to Amy Campbell. She passed away on her birthday, a week after we were all able to see her at the Buffett show. Amy was a beautiful soul that always shared her wonderful smile with us. Her and Vance joined PHCOT in December 2013 and also kept up their membership in the PH Club of North Carolina. Amy had a great love of music and a very charitable heart. One memory that sticks out in my mind is the time that she shaved her head to raise money for the St. Baldrick's Foundation supporting finding a cure for childhood cancer. We will miss you Amy, as you join our other PHCOT members that have preceded us to the "One Particular Harbor".

I am excited that as I write this today that the first YNOT Wednesday event of the season is tonight. You can check out the summer schedule at www.sandlercenter.org/events/free-events. Also, please check out our favorite local musicians as they are releasing their schedules for the summer. There are so many resources to find out the musician schedules. Look them up on Facebook, Veer magazine, www.vbnightlife.com, and www.hrscene.com to name a few. Another great source of music that I have come to know of is live music every Wednesday evening at New Realm Brewing Company, you can find all of the particulars at www.newrealmbrewing.com/virginia-beach/live-music-events. Also, just today, Phil Hines had us send out information on a Drop Dead Dangerous house concert on July 15th.

I am going to close my column for this month with a note again that three Board seats (Graham Hallowes, Herb Holtzeter and Joe Trost) are up for election. Joe and Herb submitted their intent to run for the board again. Graham has signaled that he needs a well-earned break from the board and is not running again at this time. On behalf of the board, I would like to thank Graham for all that he has done for the club over the years and I know that he will still be involved. So that leaves two people submitting for three open board seats. We will have this on the agenda again at the June club meeting to solicit member feedback and then the board will meet to decide on the way ahead. I think that for right now at least, having an election in June is on a pause. More to follow as we figure it out.

*Still I searched the constellations, and the tiny grains of sand,
Where the song of the ocean, meets the salty piece of land.*
