Club Founders

Ahoy there PHCOT Phlockers,

I am sitting here at my computer on International Parrot Head Day (June 28<sup>th</sup>) having just listened to J.D. Spradlin from RadioMargaritaville explain that today is the anniversary of Timothy Schmit coining the term "parrot head" at a Buffett show in Cincinnati, OH in 1985.

I want to try to keep my column kind of short as we get back in to the swing of things. I want to thank Peggy Lee for continuing as our newsletter editor, she has done a great job and this edition highlights the things that we have going on as we start to get geared back up. As I said at the club meeting on June 8<sup>th</sup>, we are still trying to get all of our stuff together, so please bear with us as we get this ball rolling again.

Thanks to Jim Levick for leading our MS Walk "Parrot Heads for the Cure" team and all of the pholks that came out to walk, support and socialize at Lake Christopher Park on May 8<sup>th</sup>. It was so great to see everyone and to be able to spend time together as our parrot head PHamily! So far the team has raised \$5,212 and you can still donate.

We would like to welcome Joe Trost to your board of directors. Joe is joining the board to fill the term that was opened with the passing of our dear PHriend, Patricia Garcia.

It is so great that live music is happening again across the Hampton Roads area. Please check out the schedules for Win Winslow, Robbie Meade, Joey Wood, the Tiki Bar Band, Brad Brewer Music and many of your favorite local entertainers on their FaceBook pages and websites. Also, please see the information here in the newsletter for the Tall Paul / Girlz Rule house concert happening in August.

Have you registered yet for the parrot head event of the year? You can check out all of the information on MOTM at the Parrot Heads In Paradise (PHIP) webpage at [www.phip.com](http://www.phip.com) and go to the Meeting of the Minds drop down. Everything that you need for registering is there as well as the schedule of the bands and all of the associated events. So far, we have eleven pholks from the club registered to go and registration is open until September 15<sup>th</sup>. So you will definitely hear a few more reminders from me and on the club email.

As the world was in its hibernation state during the pandemic, Jimmy and the Coral Reefers still managed to turn out some new music with the May 2020 release of the Life on the Flip Side album. Music is good for the soul and a magical healing balm,

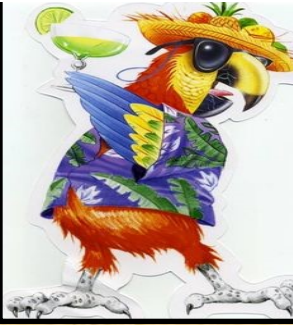

The Board of Directors Meeting Minutes and Treasurer's Reports are available for review at the Secretary's table at each general meeting.

**MISSION STATEMENT:** Our not for profit organization is formed of people who realize they are blessed with abundant life and want to return to the community and environment in some small way, the gifts we share as well as provide a variety of social activities for people who share an enjoyment of Jimmy Buffett's Music.

I will close this column with some words the new album.

*Live, relive, learn to forgive,  
Time Just keeps slippin' away  
Live, relive, learn to forgive,  
Live like it's your last day.*

## Turn your ink cartridges into SMILEs!

**SMILE** can turn every ink cartridge brought to a Parrot Head Club meeting into \$2 at OfficeMax/Office Depot. This helps us offset the cost of our printing from promotional materials to brochures and applications for future **SMILE** Kids, folders (given to families with important materials for their equipment and a welcome packet to the **SMILE** family) as well as everyday office materials we use to further our mission of enhancing the lives of children impacted by life-threatening medical conditions. Any size used ink cartridge (home or office) can be brought to a Parrot Head Meeting and given to **Cary Cross**.
